

Anna Patterson

Research Associate to Formal Reasoning Group

Affiliation: Computer Science Department, Stanford University

Office: Gates Building.

Address:

Computer Science Department,
Stanford University,
Stanford CA 94305-9045, USA

Email:

annap at cs dot stanford dot edu

Now at [*Google*](#)

annap at google dot com

Research Interests:

Programming Languages.

Concurrency.

Verification and analysis of distributed systems, structures and algorithms.

Side Interests:

Visualizing structures using 3-D imaging techniques.

6th International World Wide Web Conference Deputy Program Chair
